Subject to the Required Conditions and either (a) the Tenant’s business has been sold to an arm’s length third party with the Landlord’s consent as required by this Lease, or (b) the Tenant ceases to operate in the City of Toronto, then the Tenant shall have a “once only” right to terminate this Lease effective on October 31, 2017 (the “Termination Date”) upon giving the Landlord at least twelve (12) months prior written notice (the “Notice”) of its intention to terminate this Lease. If the Tenant exercises its right as aforesaid, the Tenant:

(i) covenants and agrees to surrender the Premises, in accordance with the terms and conditions set out in this Lease, and deliver up vacant possession thereof to the Landlord on the Termination Date and all Net Rent and Additional Rent shall be adjusted as of the Termination Date. All amounts due and owing by the Tenant pursuant to this Lease, accruing up to the Termination Date shall become due and payable in full as of the Termination Date; and

The Tenant acknowledges and agrees that the payments reference in subparagraphs (i) and (ii) shall be subject to readjustments and year end reconciliations. The Tenant agrees to execute such documentation as may be required by the Landlord in order to give effect to the foregoing. If the Tenant fails to exercise its right contained in this Section 11.26 within the time limit set out herein, then the Tenant's right will be deemed null and void and of no further force or effect."

- (i) Section 11.27 (Continuous Occupancy) is added to the Lease as follows:

Subject to the Required Conditions, save and except for the requirement for the Tenant itself to be in possession of and conducting business in the whole of the Premises, the Tenant shall not be required to remain open for business or physically occupy the Premises during the Term or any renewal or extension thereof, but may, subject to complying with other provisions of this Lease, including its requirement to pay Rent, vacate the Premises at any time. If the Tenant ceases to remain open for business or physically occupy the Premises for two (2) consecutive months, then the Landlord shall have the right at any time thereafter to provide notice to the Tenant of its' intention to terminate the Lease within thirty (30) days. The Tenant shall then have ten (10) days from receipt thereof to either: I) accept such notice or II) indicate to the Landlord the date on which they will re-occupy the Premises, which such occupancy date shall not be more than ninety (90) days after the Tenant's notice."

- (j) The definition "Event of Default" in Schedule "C" is amended by deleting subsection (h) and replacing it with the following:

It is understood and agreed that all terms and expressions when used in this agreement, unless a contrary intention is expressed herein, have the same meaning as they have in the Lease.

6. This Agreement shall enure to the benefit of and be binding upon the Parties hereto, the successors and assigns of the Landlord and the permitted successors and permitted assigns of the Tenant.

IN WITNESS WHEREOF the Parties hereto have duly executed this Agreement as of the day and year first above written.
